

MEMORY CARE WITH LOVE

Happiness, joy and peace of mind for the entire family.

“Over the past year, my mother has been less talkative, speaking only a few words at a time. Yesterday, out of the blue, came the longest string of words she has said in a very long time and I thought you should know what it was, ‘There are good people here. They help me and I like that.’ I hope you know that she and I deeply appreciate the help you give her every day!”

– RALPH L., whose mother resides at Lakeside Park

“I cannot begin to express my appreciation to you and all members of the staff for the wonderful care that you have given to Sandra over the years. She received excellent medical care, dental care, and all the necessary needs for comfortable living. On one occasion, she mentioned that she had been a member of a social club since childhood. The Lakeside Park staff prepared an excellent lunch for club members and welcomed them on behalf of Sandra.”

– EDMOND B., whose family member resides at Lakeside Park

“Thanks for loving my mom! She really loves you. Thanks for the love.”

– JOHN S., whose mother resides at Lakeside Park

COMMITTED TO EXCELLENCE

Quality care and kindness go a long way. Discover why families treasure the care provided to their loved ones by Lakeside Park's associates.

“I value all of the many moments I witnessed of your care and compassion towards my mom. You gave her a sense of community far beyond anything that I could provide. I learned so much from you about being a kind and loving person to those experiencing life's challenges. I will never forget.”

– LISA J., whose mother resided at Lakeside Park

“This Sunday is the first anniversary of our mom, Josephine's, departure to the angels in heaven. She is now with dad and together they are guiding our family. My siblings and I felt this was the perfect time to say thank you again for making mom's last year on earth special. With your staff's help and guidance mom blossomed again into the real Josephine full of laughter and fun. She truly enjoyed her time here and she had the best caregivers on earth. Thank you!”

– JAN M. and the family of Josephine, a former resident of Lakeside Park

“On behalf of my father, Arthur, and my family, I want to thank you most sincerely. My mother was a resident of Lakeside Park from mid-November 2006 until October 18, 2014. During the many years she resided there, we were always confident she received the best care available. Her many care partners, especially Glenda, treated her with great love and kindness. As we close the last chapter of my mother's life, we are so grateful for the care she received.”

– LINDA M., whose mother resided at Lakeside Park

“Our family warmly thanks you for the love and care you extended to Mannie during the six years he called Lakeside Park his home. Your extraordinary warmth, kindness, and good humor were greatly appreciated.”

– SELMA S. and the family of Mannie, a former resident of Lakeside Park
